1)Feb 17th Andrew Miller: "Hi there! Not sure if there is much you can do, but figured the sub should be aware. The occupants of 2223 Olympic fly down the Rd. around 60 mph and constantly pass me when I'm driving home. It is certainly dangerous with the amount of children living on Olympic."

Anita sent a private message/replied back to him: "We have found it successful if residents call the non-emergency Nampa police dept. and ask if they will place a speed limit check system on our streets we are having issues with speeding. We had the Nampa PD place a speed checker on Chicago St and it helped. Anita also sent him our Islands property management email and phone number.

****All FB messages are replied back to quickly with the email, phone number of our property management.**
